If you are purchasing a new suit, look for a "competition" suit. These will hold up to the chlorine without getting baggy/thin/stretched out and last much longer.
 - 1 piece suit for girls
 - Swim jammers for boys
2. Goggles
 - Prescription goggles can be ordered from www.swimoutlet.com (about \$20)

What about practices?

- Practices are usually Mon, Tue, Wed, and Thursday
 - Mon and Wed from 6:00 to 7:30
 - Tue and Thur from 3:45 to 5:15
- Students are organized into lanes based on speed/skill. Several students will share a lane and "circle swim" within the lane.
- Students will learn all strokes (backstroke, freestyle, breaststroke, butterfly) and practice diving off of the blocks and doing flip-turns.
- High School swim team members are the Jr. coaches for each lane.
